

WELCOME ADDRESS

Hello Future Alumni,

Welcome to Hillman! You are about to embark on an exciting adventure where the object of your journey is to move through a whole six seasons of your life here at Hillman and finish without debt.

First things first, place down the map of the Hillman campus. Split the EVENT and TRIVIA decks in half and place onto its labeled spot. Players choose their Character, matching ID CARD and three (3) ANSWER CARDS. Assign someone to be the Bursar (banker) and distribute Starting Balance* of Hillman Bucks to each player. Each character rolls the 6-Sided Die (D6) and highest roll goes first.

STARTING THE GAME: Start at the "Season Premiere" space and in clockwise order, roll the die then move forward the amount rolled. Spaces marked "\$" are payday. The Bursar will pay the salary amount* at the time of turn. Land on an "R" space and pay rent fees* to the Bursar. Pay the reduced rate ONLY if your roommate is playing. If not, pay full price.

There are 3 Denise Huxtable Stars on the map. Land here and everyone must pay you \$25! Call it a house party (or a gift from Mom and Dad).

When landing on spaces marked "!", pull a card from any EVENT deck, read the card aloud and follow the action

- CREDIT - The Bursar pays
- EXTRA TURN - Roll again
- YOUR NAME - Bursar
- DEBIT - Pay the Bursar
- LOSE A TURN- Don't roll next round
- PLOT TWIST - Embrace change!
- YOUR NAME - Bursar pays \$10

On spaces marked "?", pull one of the top TRIVIA cards, read aloud the question with multiple choices to the other characters. Listening players will choose A, B or C ANSWER CARD face-down until everyone is ready to reveal. Correct answers are worth the amount on the card from the Bursar and those who answer incorrectly must pay that amount to the player that asked the question. There's something fun for everyone to do!

ENDING THE GAME: Everyone gets a bonus at the SEASON FINALE***

- 1st receives \$1,000
- 3rd receives \$500
- 2nd receives \$750
- All after receives \$250

Once everyone lands, each add all their funds and the player with the most money, WINS!!!!

Run out of money before reaching the Finale? Ask the Bursar for a Character Balance Loan. You'll get your starting balance and make payments to the Bursar anytime during the game. Just keep track of your payments and try not to end the game in debt.

We are honored that you are here. Enjoy this journey and remember, it's a different world than where you come from!

Best Regards,

Future Alumni Council

*Listed on ID Cards.

**Some cards have PG-13 in the top left corner. When playing with ages under 13, please remove these cards before starting the game as they have content that may be sensitive to younger students.

***Characters must answer trivia even after they've reached the Season Finale.

MR. GAINES HOUSE RULES

Here are some unofficial rules to customize your HILLMAN THE GAME experience.
Feel free to create some of your own.

1. "For faster game play, use two dice. It just makes more sense!"
2. "Dice rolls off of the board don't count!"
3. "Stay in character! Call someone by their real name and you'll have to pay them 2 Hillman Bucks. You know what you could do with 2 bucks?!"
4. "Personal loans to keep a friend in the game is fine. Might even say it's encouraged. Might not."
5. "Lay your character pieces down when you lose a turn. And don't lie either!"
6. "Don't be afraid to make it a drinking game. No kids, not you. Grown folk only!"
7. "You got bragging rights, so use 'em!" Post your Finale Balance to our leaderboard at iasgames.com/leaderboard.
